## **ROOM TYPES**

### **Classic rooms**

Classic rooms are more traditional in style, clean and comfortable with space for personal items. Classic rooms can be single or companion. Bathroom facilities may be ensuite and/or shared, depending on the particular TriCare Aged Care Residence.

### **Premium rooms**

Premium rooms are more contemporary in style, with modern furnishings and décor akin to a hotel suite. Many boast superior water or garden views. Premium rooms are generously proportioned, light and airy with space for lounge seating of guests. These rooms also have ample storage, a wall-mounted TV and tea/coffee making facilities.

All premium rooms have a private ensuite with walk-in shower, modern vanity unit, contemporary tapwear and European décor. At most facilities, this level of room has the latest in living aids such as lift chairs and ceiling hoists.

Importantly, please note that the same genuine care is provided by TriCare staff regardless of the room type and all residents have full access to the same communal areas. The definition reflects the décor and amenity-based aspects of the room.

## **EXTRA SERVICES FEE**

**\$30.00**

Extra Services are hotel-type services, and a higher standard of room than basic aged care accommodation. It includes room features, entertainment equipment and food services such as alcohol and more menu options. Extra Services status varies by residence. Residents are required to pay a fee for these services as determined by the Department of Health\*.
