Kawana Waters
Aged Care Residence

Lifestyle at its best

Our magnificent riverside frontage, stunning views and impressive amenities bring a sense of luxury to Kawana Waters, where a family-style community makes residents feel at home.

In this relaxed environment, we provide care for residents with short-term and permanent needs.

Our approach to care comes from the family values and genuine care that have underpinned TriCare for 50 years, ensuring that each resident receives the care to meet their individual needs, even as life changes.

We ensure residents keep engaged with daily social interaction, through our lifestyle activities and therapies, convivial dining and 24-hour staff presence.

Relax, knowing loved ones are in good hands with TriCare.

Feel right at home

Lush, well-kept gardens and landscaped, undercover outdoor areas complement stunning, contemporary amenities in our state-of-the-art extension, creating an inspiring environment for residents to spend quality time with family and friends.

Our sunny, panoramic lounges and balcony terraces provide sweeping vistas across the tranquil Mooloolah River, and out to the hinterland.

We offer a selection of comfortable accommodation, ranging from premium to classic single rooms, and classic companion share rooms.

For the ultimate in accommodation, our spacious premium, private suites feature a luxury ensuite and appointments including a wide-screen TV.

Every day a special day

Five star dining with delicious, fresh meals prepared daily by our onsite chefs ensure residents have nutritious, tasty choices, along with a choice of wine or beer at main meals.

Our seven dining rooms hum with chatter during meal times, or residents are able to request meal service to their room.

We help residents look and feel their best with our onsite hairdressing salon and professional wellbeing services.

There's plenty of social interaction through the variety of activities, both within the residence and out in the community, thanks to a dynamic lifestyle activities program.
